

Sonik App — Wireframes

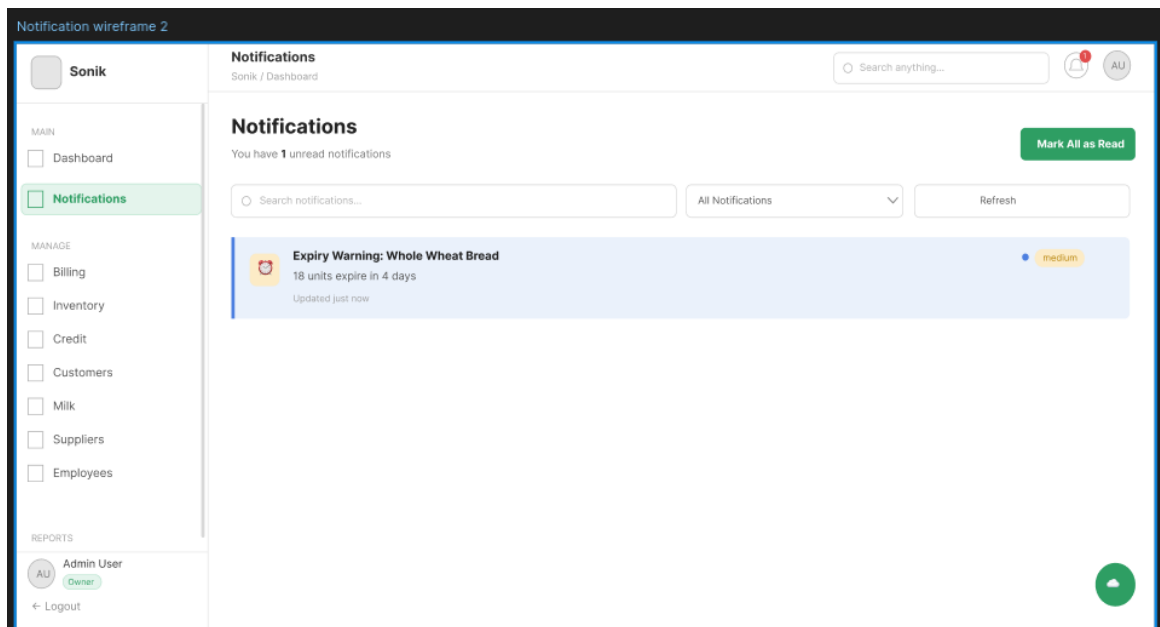

1. Dashboard

Landing screen after login. Shows a greeting, an AI-powered "Query Convertor" box for asking store questions in plain language, and key metric cards (today's sales, profit, revenue, outstanding credit, low stock, expiring items).

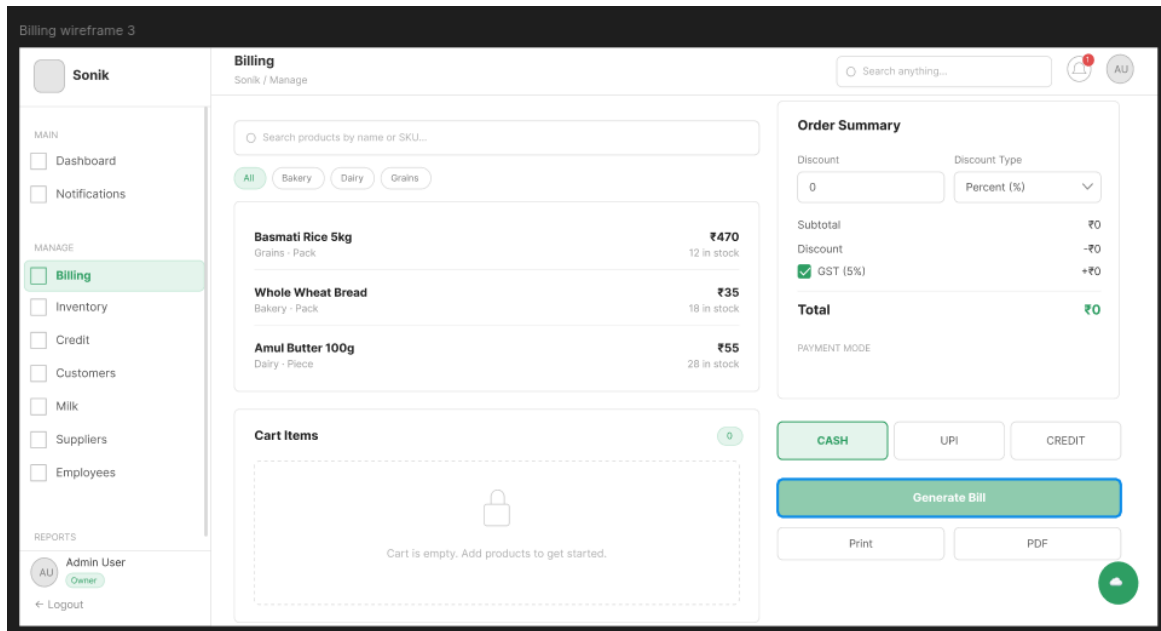

2. Notifications

Central alerts screen listing system notifications, such as expiry warnings for stock, with filters for searching, category, and priority (e.g. medium/high), plus an option to mark all as read.

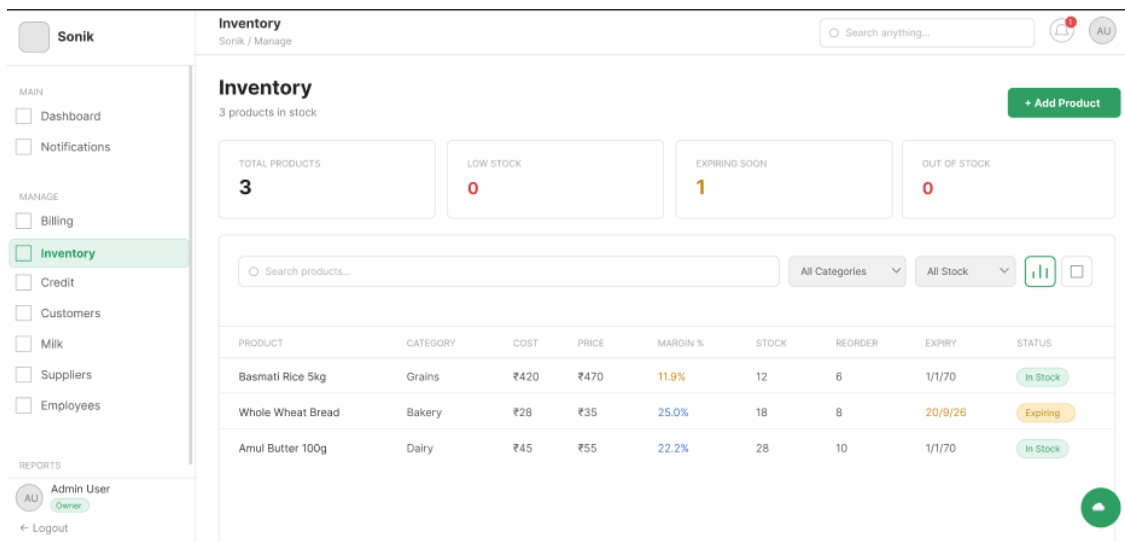

3. Billing

Point-of-sale style billing screen. Lets the user search and add products by category, view the cart, apply discounts and GST, choose a payment mode (cash/UPI/credit), and generate or print the final bill.

4. Inventory

Product inventory management screen with summary cards (total products, low stock, expiring soon, out of stock) and a searchable/filterable product table showing cost, price, margin, stock, reorder level, expiry, and status.

5. Credit Management

Tracks customer credit limits and outstanding balances. Summary cards show total customers, total outstanding, average credit used, and high-risk accounts, alongside a table listing each customer's outstanding amount, credit limit, usage %, and risk level.

The screenshot shows the 'Credit Management' dashboard. The left sidebar has a 'MAIN' section with 'Dashboard' and 'Notifications', a 'MANAGE' section with 'Billing', 'Inventory', 'Credit' (highlighted), 'Customers', 'Milk', 'Suppliers', and 'Employees', and a 'REPORTS' section with 'Admin User' and 'Owner'. The main content area is titled 'Credit Management' with the subtitle 'Track customer credit limits and outstanding payments'. It features four summary cards: 'TOTAL CUSTOMERS' (1), 'TOTAL OUTSTANDING' (₹1,800), 'AVG CREDIT USED' (7%), and 'HIGH RISK' (0). Below these is a table with columns: CUSTOMER, PHONE, OUTSTANDING, CREDIT LIMIT, USAGE, and RISK LEVEL. The table contains one entry for 'Fresh Mart' with a phone number of 9876543210, an outstanding amount of ₹1,800, a credit limit of ₹25,000, a usage of 7%, and a risk level of 'low'. A search bar and a user profile icon are at the top right.

CUSTOMER	PHONE	OUTSTANDING	CREDIT LIMIT	USAGE	RISK LEVEL
Fresh Mart	9876543210	₹1,800	₹25,000	7%	low

6. Customers

Customer management screen with summary cards (total customers, active, credit used, credit limit), search and filter controls, and a table of customer details including city, credit limit/usage, last purchase date, and status with view/edit actions.

The screenshot shows the 'Customers' dashboard. The left sidebar is identical to the previous one, but 'Customers' is highlighted in the 'MANAGE' section. The main content area is titled 'Customers' with the subtitle 'Manage all customers and their credit profiles'. It features four summary cards: 'Total Customers' (1), 'Active' (1), 'Total Credit Used' (₹0.0L), and 'Total Credit Limit' (₹0.3L). Below these are search and filter controls: a search bar 'Search by name, email or phone...', a dropdown for 'All Cities', and a dropdown for 'All Status'. A table with columns: Name, Contact, City, Credit Limit, Credit Used, Utilization, Last Purchase, Status, and Actions. The table contains one entry for 'Fresh Mart' with contact email freshmart@example.com, phone 9876543210, city Pune, credit limit ₹25,000, credit used ₹1,800, utilization 7%, last purchase date 16/09/2026, and status 'active'. The 'Actions' column has 'View' and 'Edit' links. A '+ Add Customer' button is at the top right. A search bar and a user profile icon are at the top right.

Name	Contact	City	Credit Limit	Credit Used	Utilization	Last Purchase	Status	Actions
Fresh Mart	freshmart@example.com 9876543210	Pune	₹25,000	₹1,800	7%	16/09/2026	active	View Edit

7. Milk Subscribers

Manages daily milk subscription customers. Summary cards show active subscribers, daily quantity, monthly revenue, and total subscribers, with individual subscriber cards showing quantity, frequency, and monthly billing, plus invoice/daily-entry actions.

The screenshot shows the 'Milk Subscribers' management page. The left sidebar includes a 'Sonik' logo, a search bar, and a navigation menu with sections: MAIN (Dashboard, Notifications), MANAGE (Billing, Inventory, Credit, Customers, Milk, Suppliers, Employees), and REPORTS. The 'Milk' option is selected. The main content area is titled 'Milk Subscribers' with a subtitle 'Manage daily milk subscription customers' and an '+ Add Subscriber' button. It features four summary cards: ACTIVE SUBSCRIBERS (2), DAILY QUANTITY (1.5 liters/day), MONTHLY REVENUE (₹3,150), and TOTAL SUBSCRIBERS (2). Below these are two subscriber cards for 'Priya Singh' and 'Rajesh Patel', both marked 'active'. Each card displays their daily quantity, frequency (Daily), and monthly revenue (₹2,100 and ₹1,050 respectively). At the bottom of each card are 'View Invoice' and 'Daily Entry' buttons. The bottom of the page shows the 'Admin User' profile and a 'Logout' button.

8. Suppliers

Supplier relationship screen for managing suppliers and pending payments. Shows supplier details (location, contact, email), payment terms, and pending amount, with options to contact or pay the supplier and an "Add Supplier" action.

The screenshot shows the 'Suppliers' management page. The left sidebar is identical to the previous screen, with the 'Suppliers' option selected. The main content area is titled 'Suppliers' with a subtitle 'Manage supplier relationships and pending payments' and an '+ Add Supplier' button. It displays a card for 'Fresh Farms Dairy' by 'Rajesh Kumar' with a rating of 4.5. The card lists the location as 'Pune', contact as '9123456780', and email as 'supply@example.com'. A blue box highlights the 'Payment Terms' as '30 days' and the 'Pending' amount as '₹0'. At the bottom of the card are 'Contact' and 'Pay' buttons. Below the card is a section titled '\$ Suppliers Management' with the subtitle 'Manage supplier payments and details'. The bottom of the page shows the 'Admin User' profile and a 'Logout' button.

9. Employees

Team management screen showing summary cards (total employees, active, average performance, roles) and individual employee cards with role, contact info, and a performance score bar, plus view/edit actions.
